

A member of the EU, Cyprus is a thriving business hub, strategically positioned between three continents – Europe, Africa and Asia – with multicultural business etiquette, a stable political regime, an efficient and transparent tax system, an extensive range of DTAs and a legal system based on English Common Law.

Our Corporate Services

We specialise in the formation, management and ongoing administration of Cyprus and international companies.

Cyprus companies are used by international clients for a wide range of purposes, with their primary uses being as investment and asset holding vehicles.

Our Fiduciary Services

Ranked by the Chambers & Partners High Net Worth Guide as one of the leading trust companies in Cyprus, we establish and administer Cyprus international trusts to assist our clients meet their succession planning and asset protection objectives.

Our Fund Services

We assist with all aspects of the establishment and administration of Cyprus funds.

Our team is able to work with managers operating in a broad range of asset classes, including hedge funds, private equity funds, real estate funds, shipping funds and venture capital funds.

Why Cyprus?

- Member of the EU and the Eurozone
- Legal and regulatory framework based on English Common Law principles
- Cost efficient to set up and operate structures
- Stable and attractive corporate tax system
- Extensive range of double tax treaties
- Qualified and multilingual work force
- Advantageous location and time zone, with excellent transport connections and telecommunications

Our Office

Established in 1996, we are one of the largest companies in the local financial services industry. Our multilingual team is regulated by the Cyprus Security and Exchange Commission and holds the ASP Licence.

All our services are performed in-house by our 60+ long serving and qualified staff, many of whom are qualified Cyprus lawyers, chartered and certified accountants, trust and estate practitioners.
